

Sports Premium Overview

At Whiteways Primary School we recognise the importance that physical education, healthy active lifestyles and competitive sports have in helping to prepare pupils for adult life.

We have welcomed the Government's announcement to provide additional funding to improve the provision of physical education and sports in primary schools. We are committed to ensuring that this money provides pupils with greater opportunities to engage in sporting and physical activities as well as ensuring that they receive a wider range of experience to help them develop and understand the world.

Sports Premium Grant

Primary School Sport Funding for 2016/2017	£9,828
---	---------------

What does the Sport Premium funding mean for Whiteways?

'Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- *develop or add to the PE and sport activities that your school already offers*
- *build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years'*

There are 5 key indicators that schools should expect to see improvement across:

- *the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school*
- *the profile of PE and sport is raised across the school as a tool for whole-school improvement*
- *increased confidence, knowledge and skills of all staff in teaching PE and sport*
- *broader experience of a range of sports and activities offered to all pupils*
- *increased participation in competitive sport (DFE October 2017).*

We have decided to allocate the Sports Premium Grant on the following:

Healthy Lifestyles

The engagement of all pupils in regular physical activity.

Improve facilities that will be accessible for children during allocated PE time and non-structured times such as breaks and lunch times – purchasing playground equipment.

Fund additional swimming so that our children receive 2 years of provision.

After school clubs to encourage sport and active lifestyles which are free to all.

Raising the Profile of Physical Education

The profile of PE and sport is raised across the school as a tool for whole-school improvement.

Whole school theme days e.g. Sports Relief and the Whiteways Mile.

Local ex professional rugby league player to talk to children about career in sport.

Assembly delivered by Olympic athlete Rebecca Adlington.

Initiatives to increase to improve attitudes towards sport and healthy lifestyles.

Improvement of facilities (the school field) to enable more structured sports to take place – running track and cricket crease.

Awards for end of year achievement in sports inside and outside school.

Training Staff

The confidence, knowledge and skills of all staff in teaching PE and sport are increased.

Coaches from SUFC work with staff to deliver lessons.

Whole school training sessions based on staff needs.

Support from Arches to develop subject leadership and across school support.

Broadening Experience

A range of sports and activities are offered to all pupils.

Participation in whole school theme days where children get to try new sports.

After school clubs which are offered to all pupils to participate in and learn new skills.

Competitive School Sport

Increasing pupil participation in competitive sport.

Enhance facilities to enable more competitive sport both in school and with other local primaries.

Participation in SUFC competitions within the city.

Entry to Arches Olympics.

To enter and run more sports competitions.
