

St. Mary's Church Micklefield

Church and community links are an important part of life at Micklefield C.E. (VC) Primary School. The school is a vital part of the village community and we like to participate in village events and traditions. We are also keen to learn from our local community and incorporate this into our teaching and learning. We have strong links with our village Church, Saint Mary's, where we often visit to hold our services or as part of our curriculum studies. We celebrate belonging to a wider family; a family that grows in faith.

Jesus said, "Let the little children come to me and do not stop them, for to such belongs the kingdom of heaven. Matthew 19:14

Father David writes...

Our children are the most important people in our whole lives; as parents or guardians we all have a responsibility to love them unconditionally. Love isn't just plucked out of the air, love is freely given to each and every one of us by God. He gives us this special gift which we feel every day.

Our assemblies are intended to make us all feel good and filled with God's love; through this your children all grow from strength to strength. This means a child who can manage him or herself and therefore their behaviour. A child grows into a person who walks in love and acts with powerful presence; a person who makes the world a better place, just by being himself or herself.

Is this a challenging and exciting thought for us as parents? Indeed!

It's the most important thing you're teaching, every day.

With love, Father David.
