

Year 6 Harrogate Valley Trip

Last week our year 6s had a great time at Harrogate Valley Gardens. They were complimented (several times) on their excellent behaviour and exemplary manners!

Year 6 Residential

Last weekend, our intrepid Year 6s had a wonderful time at PGL Winmarleigh Hall! We climbed, zipped, built and leapt our way through three days of fun. It was great to see the children conquering their fears, working together as a team, learning new skills and generally proving what all-round superstars they are!

Year 2 Trip to Leeds City Museum

On Friday 6th July Year 2 went to Leeds City Museum. We had a great time exploring the different areas of the museum. The children's behaviour was excellent and they were a credit to our school. Whilst at the museum the children learnt all about the history of Leeds and how it has changed over the years. The children were also very excited to learn about Ancient Egypt and they even saw a real Mummy!!

Fortnite- Child Safety

Fortnite is an online video game where players compete to be the last person standing in a post-apocalyptic world. **Players shoot each other using a range of lethal weapons**, but the brightly-coloured, cartoon-style graphics and lack of bloodshed mean it doesn't feel too gory or graphic.

To play, the **age recommendation is 12 and above** due to 'mild violence', although you don't have to provide your age when creating an account, so younger children can still log on easily.

What are the concerns?

Communication between players: a chat function allows players to talk to each other either over a headset and microphone, or using messaging. **Children could use it to speak to strangers, or it could put them at risk of cyberbullying**

In-app purchases: players can build up large bills on their parents' accounts by buying cosmetic items like outfits for your character and better-looking weapons (otherwise known as 'skins')

Addictive nature of the game: anecdotal stories tell of **children staying up all night to play, or falling asleep in lessons** after playing for too long. Some commentators attribute this to the communal feel of the game – you can play with your friends – and the game is different every time you play, keeping it fresh

What safety options are available to parents?

Use the parental controls on the gaming device

Most devices allow you to **set time limits** on game play, **set age limits** for content, and **restrict in-app purchases**.

Turn off the voice chat feature

Open the settings menu (the 3 lines on the right-hand-side of the screen), then choose the 'cog' icon. Select the 'audio' tab. You should be able to turn off 'voice chat' by tapping the arrows next to it
