Dear Parents / Carers

The new Parent Life app – easy access to important school information

We have a convenient new way to share information with you about your child's school life, you will be able to access our new parent app and website.

You can access the system from a smartphone, tablet or PC – anytime, anywhere.

What will you find in the SIMS Parent Lite app:

- Access to update your contact details, so we always have the most up-to-date information in case of emergencies
- If you have more than one child at school, you'll have access to information for all your children, from the same app

Getting started with the SIMS Parent Life app

1. We will send you an activation email, simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal **Facebook, Twitter, Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store – search for **SIMS Parent**.
4. From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact your school.

Your activation email will expire after 14 days if it is not used, please contact your school if you require a replacement after this date.

Yours sincerely
