Exceptional results continue at Ashurst. Once again we are delighted with the results from our parent/carer questionnaire.

Of the 25 statements all scored above 80% with the majority of statements being 90% +. Thank you so much!

Thank you to all the Parents and Carers who completed our 2017 survey. You have given us some effective feedback and have confirmed that Ashurst is delivering quality education for your children.

As ever we are always looking to enhance our provision and service. Anyone who has raised an issue or made a comment can be assured that it has been read and followed up. Some of the suggestions and comments have indeed be incorporated into our School Improvement Plan 2017-18 as detailed below.

- **To increase the amount of enrichment opportunities and after school clubs ensuring children reach their potential in all areas.**
- **To further enhance provision at playtimes and lunchtime through our children Ambassadors for Sport and Play Leaders promoting healthy living.**
- **To ensure parents/carers are aware of targets and progress their child is making through after school drop in sessions enabling parents/carers to share the learning journey with their child.**

Please remember we operate an open door policy where we listen to the feedback you provide and wherever we can, we act upon it.

The results are summarised on the following page and once again I would like to say a huge thank you for the overwhelming positive response. Your support and feedback really does mean a lot.
