Dear Parents/Carers,

Following our recent Ofsted monitoring inspection visit, please find the report attached. This is available on our website and will be posted on the Ofsted website from 2<sup>nd</sup> November.

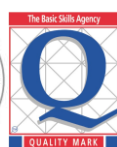

The findings are positive and show that the actions we have taken since the last report are having the desired effect.

I would like to thank all our parents/carers for their support and the dedicated staff at this school for all their hard work. Together we continue to strive for the best possible results for all our children.

If you have any questions regarding the report I will be happy to answer them. Thank you very much for your support.

Yours faithfully

K. Hopkinson (Mrs.)  
Headteacher
