### Pupil Premium 2017-2018

#### Record of Pupil Premium Planned Spending by item/project April 2017-April 2018

Amount received £17740

| Item/Project  | Cost   | Objective   | Outcome   |
|---|--------|---|---|
| ERYC Music Service  | £2000  | Allows release of Teaching staff to support Pupil premium children 1-1 and in small groups in R,W and M   | PP children are meeting their targets in R,W and M  |
| To support PP children to achieve expected swimming qualifications of 25M               | £1235  | To ensure that all PP children have the opportunity to have swimming lessons to enable them to achieve the 25M standard at YR6                    | All PP have the life skill of being able to swim 25m and are confident in water.  |
| Residential/<br>Visits/Transport<br>subsidy/Visitors into<br>school                     | £1700  | This is particularly important due to the geographical isolation of Roos.   | The children have access to a wider curriculum and their confidence and social skills are developed. They are having experiences that they may not have outside of school |
| To ensure staffing levels remain the same to ensure high quality provision for children | £12000 | To ensure that each class has a TA, to enable the teacher to complete interventions as required with individuals and small groups of PP children. | PP children achieve their full potential by additional support from the class teacher/TA.   |
| Pastoral Support for individual children  | £260   | To ensure individual children have equal access to the curriculum and school life.  | Individual children have equality of education.   |
| Provision of snack for those children who may not have had breakfast.                   | £900   | To maintain concentration levels throughout the school day and give all children equal access to their learning.                                  | Equality of education.  |

Pupil Premium children in our school generally achieve in line or above age related expectations. We have used our PP funding to enrich the curriculum and maintain staffing levels to ensure high quality first teaching for our PP children. The schools budget also supports the above.
