

Collaboration Agreement Between

Langtons Infant School, Crownfield Infant School and Rise Park Infant School

Our school has recently formed a collaborative partnership with Crownfield Infant and Rise Park Infant Schools. This partnership has been established for the enhancement of provision and outcomes of all stakeholders within our cluster of school. Our collective vision for this work is as follows:-

Vision and Aims

- To raise the aspirations of children, parents, staff and governors of all schools
- Our partnership brings clear benefits for the children of all schools
- To secure strong strategic leadership through the sharing of skills, strengths and experience
- To strengthen professional relationships through mutual trust
- To share and develop staff expertise
- To ensure that high quality of teaching and learning remain a key priority in order to raise pupil achievement
- To share different and innovative ways of working across partnership schools to ensure that the quality of teaching and curriculum provision is enhanced and enriched
- To maintain each school's culture whilst celebrating and sharing differences to broaden the experience of all children across the partnership
- To forge stronger links between school communities through shared events and partnerships
- To support each school with systems and procedures to enhance efficiencies and working practices
- To use sites and buildings for the mutual benefit of the partnership schools
- To utilise joint procurement opportunities for the benefit of all schools
