

Sept 2018 Autumn Newsletter

General Update

It has been a lovely, quiet (and very sunny!) summer which has given us the opportunity to spruce the nursery up a little, re-vamp the children's playrooms and give the garden areas some TLC. We hope you like the changes!

Parents evening has come around again so please book your 10 minute, informal appointment with your child's key person on Wednesday the 26th of September next time you are in nursery. We look forward to seeing you there!

A little help from our friends...

The nursery is always in need of small maintenance jobs and repairs, so if you are handy, have some time and some tools, please let us know.

Also, if you would like to help us with our play areas and nature garden - any expertise, advice or green fingers would be welcome!!

Whatever-the-weather-wear!

As the weather is starting to change, please ensure your child has suitable outer-wear whilst they are at nursery.

Hats, scarves, gloves and coats should be labelled and kept here wherever possible

Braithwaite & Guardhouse gala

Come and join us for the Gala of the year on Saturday the 8th of September from 11am until 2pm!!

There will be lots of arts & crafts, inflatables, free food, car boot sales and more.... so we really hope you are able to support us and pop in for a bit.

Silence isn't always golden!

September sees the return of our weekly group sessions that focus on communication, language, confidence, relationship building and early numeracy. These sessions will be offered within nursery times and will build on children's existing skills in these areas.

There will also be activities suggested that you can try at home to further support their learning so if you have any questions, please just ask your child's key person

All together now

Just a reminder that you can order uniform for your children at the Nursery Reception. There are hooded sweatshirts, t-shirts, polo shirts and even fleece jackets!!

Simply fill in an order form, pay in cash for exactly what you would like and it will arrive within 7 working days.

If you see a space man - just park, man!!

Please can we ask all parents and family members using our car park to do so responsibly and considerately.

The main car park area is the only place that nursery parents or family members should be using to drop off or collect as all other areas must be kept clear for disabled access, deliveries or to be used as a turning circle.

I would also remind everyone that we share this car park with Keighley Children's Centres so please be patient. Thank you

*Oh, and please under no circumstances block in or restrict access to our Nursery mini bus!
Ever. Thank you!*

Money, money, money!!

Our fundraising efforts continue as we will be participating in the MacMillan coffee morning to raise money for Cancer Research (Friday 05.10.18), helping Pudsey Bear raise money for Children in Need (Friday 16.11.18) and of course, our spooky tombola is starting in a few weeks to raise money for.....well, us!!

Phew! With all this in mind, it may be useful to keep some loose change on you when you drop off and collect as who knows what you may be asked to help out with, donate to or buy!

Picture Perfect

In October the Tempest photographer, Jo will be back in nursery to take individual and family pictures (just in time to be given to family & friends as perfect Christmas gifts!!)

More details will follow and be displayed around nursery but whether your child is in on that date or not, you can always bring them in for their picture taking between 8.30am and 2.30pm. So say cheese!!!

Please give us the boot.....(literally!)

We seem to have lost a number of our children's green nursery wellie boots so please can you have a good look at home to see if you may have some that need returning.

If not, but while you are looking you may find you have some wellies that your child has outgrown, either way with Autumn around the corner, any donated or returned wellie boots will be both useful and appreciated so please do your best.
