### **As a school:**

We aim to ensure that children begin to understand how to become aware of e-safety

### **As parents and carers:**

I/we support the school in helping to teach our/my child about being safe on the internet

Support the school by not discussing any other children on social networking sites, eg Facebook

Our use of social networking sites will not bring the school or staff into disrepute

Not put images of children on to social networking sites other than my/our own children
