*** 21 parents responded 'don't know' to the bullying statement** - comments included: 'I haven't had any concerns to raise', 'I have not made or heard any report about bullying in school'. To ensure parents know about the school's robust approach to anti-bullying, we regularly share information about our approach via newsletters and the school website. We have been awarded Doncaster's Anti-Bullying Charter Mark at Gold level owing to the high standards of behaviour in school and the robust systems we have in place to deal with rare incidents of unacceptable behaviour. We are very proud of our pupil-led Anti-Bullying Ambassadors. They lead whole school events to raise awareness of e-safety and anti-bullying. Please visit their website page to find out more. Our Anti-Bullying Ambassadors have been recognised with a Diana Award, to mark the positive impact they have made. As always, if you do have individual questions or queries, please get in touch.

All comments will be discussed by all staff and governors as we continue to develop provision at Copley Junior.

- "My child has truly enjoyed her time at Copley and will be so sad to leave in Year 6. I truly believe both teachers and teaching assistants in Y6 deserve acknowledgement on their outstanding work and dedication they have given to this year group. Year 6 can be a daunting year and one most children and parents dread, but for my daughter to walk away saying it has been her best year, even though she has been through SATS, those teachers are most definitely getting it right. From both my child and I, thank you for a great year."
