SCHOOL CHARGING AND REMISSIONS POLICY

INTRODUCTION

This charging and remissions policy complies with statutory requirements, has regard to the Authority's policy statements on charging and is reviewed on an annual basis.

CHARGING POLICY

Activities without charge

There will be no charge for the following activities:

- education provided wholly or mostly during school hours. This includes the supply of any materials, books, instruments, other equipment and also transport provided in school hours to carry pupils between the school and an activity;
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination which the pupil is being prepared for at the school, or part of religious education;

Voluntary Contributions

The school asks for voluntary contributions towards the cost of school-time activities to assist with funding subject to the following conditions:

- any children of parents who do not wish to contribute will not be treated any differently;
- where there are insufficient contributions to make the activity viable then the activity will be cancelled.

Chargeable Activities

The school may recover the full costs of the following activities but charges will not exceed actual cost:

- educational or other activities provided wholly or mainly outside school hours which are not:

- part of the Early Years Curriculum;

(note: we may specify particular activities which are subject to charge. These would include any commissioned services)

- day care facilities

(note: a schedule of current charges are attached as an appendix to the policy)

Remissions Policy

- Charges for other 'chargeable activities' may also be fully or partly remitted for pupils whose parents are receiving income support, income-based job seekers allowance, family credit or disability working allowance. Details of any remission arrangements will be made clear when parents are informed of charges for individual activities.
