Dear Parents,

I hope you all had a really good summer. The children have come back with fantastic attitudes. All raring to go in their smart new uniforms and eager to get on with their learning.

This year we are holding a short meet and greet sessions for year 4 & 5 next week. This will be led by the teachers in the year group so that you can find out the plan for the year and any change in routine or expectations as your child moves up the school.

Tuesday 12th September 3.20 - 3.40 Year 5 - Hall

Wednesday 13th September 3.20 - 3.40 Year 4 - Hall

The three class teachers from the year group will meet together with parents, who wish to attend, in the hall to briefly go over the learning of this term, homework expectations and any other key events coming up. The children will have an additional play after school to allow this to happen, supervised by staff school (probably on the field or playground- weather permitting, or in their classrooms).

These are just an opportunity to touch base. There will be another opportunity later in the term (October 17th) for a formal parents evening where each parent will have an appointment to meet their child's teacher.

Please remember that if you need to discuss something with your child's teacher that you are always encouraged to make an appointment to see them after school. The teachers are on the playground every day, after school, and this is an ideal opportunity to ask them to set up a time that works for you both, or to grab a quick word. Working together is very important to us and we would prefer to talk through any questions or concerns that you may have as soon as you have them.

Kind regards,

Mrs L Murray
