Dear Parents/Guardians

7th September 2018

Ukelele Loan Agreement

Class 10 have the opportunity to learn Ukulele on **Friday afternoons** during Term 1. Pupils will be loaned an instrument during this time to practice at home. They should also tune their instrument weekly at home to enable maximum learning time within the lesson. Pupils are responsible for caring for the instruments appropriately during the loan period. The loan is free of charge, but should the instrument be damaged or lost, the cost of the instrument, **£14.50, must be repaid** to the office to enable future classes to be able to have their lessons. Please ensure your child brings their instrument to school every Friday. **There are no spare instruments within the school.**

Proper Care of Instruments Includes:

1. Always carefully return instrument to its case after each use.
2. Clean the instrument by wiping it with a soft cloth.
3. Never throw or toss the instrument, even when it is in its case. Carefully place instrument in its storage location.
4. Store the instrument in a safe place at both school and home away from extremes of temperature or humidity, or young children.
5. Instruments are tuned by slowly and carefully turning the tuning pegs. Free tuning apps are easily downloadable.
6. Notify the school immediately if there is a problem with the instrument.
7. Return the instrument on the last ukulele lesson of Term 1.

Please return the slip below by Thursday 13th September to enable your child to bring their ukulele home.
