

Week 1

Friday 7th September 2018

## This Week

We have been learning what it is like to be in Year 1! We have experienced playtime and singing assembly alongside PE with Mr Whitaker and a brand new classroom.

Year 1 have already impressed the grown ups with their excellent tidying .

The children have met Jigsaw Jack who is going to be with them all year to support them in making right choices and feeling happy. Next week he is going to help us start creating our class charter (rules).

## FYI

- Meet the Teacher for Year 1 is on Monday at 3:30pm.-there is a crèche available for school aged children
- PE will be on Tuesdays and Thursdays
- We are outside all of Monday morning whatever the weather so waterproofs and wellies may be needed!

## A Home Focus

In this box each week I shall add something that you can focus on at home that has been linked with our week's learning. It may be some spellings, a poem or a maths problem. So keep your eyes peeled.

## Mrs Dunk's message

It's been wonderful to see so many happy faces come back to school this week! The children have settled in well and are enjoying the new routines. I look forward to meeting you all properly at our Meet the Teacher meeting on Monday at 3:30pm.

Today your child is coming home with a reading book. Mrs Matthews and I have assessed the children this week and are trying to figure out exactly where they fit. If your child has seen their book before I do apologise, please read it anyway and leave me a message in the reading record.

Attached to this newsletter is the home learning grid. I will be discussing what this is and how it is used in our Meet the Teacher meeting on Monday.
