A note from the Headteacher

Welcome back to school!

I hope you all enjoyed a great summer break and managed to find some sunshine wherever in the world you travelled. I went on a cruise around Greece, Italy and Croatia which was heavenly. Back to reality now though!

The Autumn term is always a very busy one with Christmas just around the corner (eek!) Look out for your child's Class newsletter which will be sent out over the next few weeks and will give you lots of information about their learning and how you can support them at home. If you have any ideas about how we can improve our communication with you please do let us know. We are always open to new ways of working.

As we start a new Academic Year - here are a few reminders to help everyone stay safe in school.

- School gates will open at 08.40am and are locked at 15.45pm. Late arrivals need to buzz the gate and state who they are and who they have come to see before the gate is unlocked. Please note that if you are late you might need to wait a few minutes to be admitted into the grounds.
- Access into school is only possible via the School Office during the day so please buzz at the gate, announce who you are and wait to be admitted onto the school grounds. You will then need to buzz the front door at Reception where a member of staff will let you in. Please sign in and you will be given a Visitor's Pass to wear whilst on the premises. Please sign out when you leave and give your Pass back to the Office staff.
- Mobile phones **MUST** be SWITCHED OFF whilst on the school site.
- The use of cameras by parents and visitors is **STRICTLY FORBIDDEN** unless permission is given by the Headteacher during a school event i.e. Christmas Fayre.
- School climbing equipment must be used under close supervision of parents before and after school. We are not responsible for accidents that happen before 08.50am or after 15.30pm.
- **PLEASE** read the weekly newsletter. It gives you valuable information about what is happening in school. Make sure you read any Parentmail emails and texts as these also give you important information. Teachers might also put notices on their windows if they want to inform you of something specific to your child's class.
