

# St. Augustine's Catholic Primary School

*We try to follow Jesus by loving each other and caring for God's world.*

## NEWSLETTER ~ 7th September 2018

If you would like a paper copy of this newsletter, you can collect a printed version from the entrance area outside the school office or ask at the office.

### **Back to School!**

Welcome back to all the children and families for the start of the new academic year. We hope you have all had a fantastic Summer, enjoying the glorious weather. We would especially like to welcome all the new families into our school community, from Reception class up to Year 6. And over the next couple of weeks we are looking forward to meeting the new Nursery children too.

### **Whole School Learning ~ Our Global Community**

We are really excited about the year ahead and all the things we are going to learn together at St. Augustine's. We are starting the year with a whole school topic, studying 'Our Global Community.' We look forward to sharing the children's work with you throughout this term.

### **Update your child's emergency contact details**

Due to changes in the updated government document 'Keeping Children Safe In Education', it is recommended that schools should have two emergency contacts for every child at the school. Please could you ensure that the school has up to date details for two adult contacts for your children.

### **Update your child's Medical Needs**

Please ensure that your children's medical needs information is updated on our school systems. If your child has any medication in school, please ensure that it is in date.

### **After School Clubs**

Please check you emails this week for forthcoming after school club information. If you would like a paper copy of any school clubs information, please let the office know.

### **School Lunches**

Thank you for your patience with school lunches this week. We have had delays with the roof works, which has had an impact on the ventilation systems in the kitchen. This prevented the school from being able to use gas appliances in the kitchen. We hope to have a fully functioning kitchen by Monday. We will let you know by text if there are any changes. The new menu can be found on the school website.

### **Wise Pay**

Wise Pay will be ready to use this weekend to order lunches. Please make sure you have ordered the lunches for next week by Sunday evening at 12:00am. Some of you may find that there is a problem with your passwords. We are aware that there are a few issues at the moment. Please contact the office as soon as you are aware of a problem and we will try to remedy it as quickly as possible.
