Welcome to the first newsletter of the new academic year. I would like to extend a warm welcome to all our new starters and their families. On behalf of the whole school team, we hope you have had a great summer break and enjoyed some quality time together with loved ones. It seems to have passed in the blink of an eye. It gives me great pleasure to welcome some new families to Cowick Primary School, both to families with children joining in Earth class (both Nursery and Reception) and in older year groups too. We've had quite a few new starters in school this week and they've already made a good impression with their smiles, enthusiasm and good attitudes.

What a wonderful start to the new academic year. All the children look really smart in their school uniforms and it is lovely to see them ready and eager to learn. I am so very proud of the children and the start that they have made in classes. The atmosphere has been calm, productive and enthusiastic. Long may that continue!

The staff team have come back with such enthusiasm, ready for a brilliant year ahead. Huge thanks to all of the team. I am really pleased with the manner in which the staff team have ensured it has been a really great start to the term, with children settling into their new classes and classrooms quickly.

We have so many wonderful things planned for the term and year ahead. We welcomed back Jonny Nicholls from Xcite sport. He will be teaching PE on Wednesdays as well as holding lunch and after school clubs.

In addition, we look forward to welcoming Steve and an apprentice coach from Doncaster Rovers for 6 weeks. They will be working with Water and Fire Classes to deliver football curriculum lessons as well as offering a lunchtime club and after school clubs. We will let you know if your child has been allocated a space on Monday.

Thanks for your positivity and enthusiastic start to the new term. A great start to the year - Here's to a great term and year ahead!

Morning Drop off

Please park in a marked bay if you are taking your child to the playground. The drop off lane should be kept free for cars to pull in to, so children can safely exit the car onto the path and into school. Thank you for your co-operation.

Heritage Day

This Sunday is Heritage Day. Activities will be taking place from 10.00am to 4.00pm throughout Snaith and Cowick. Our Church will be open for you to look at the work done by the children on the theme of 'Entertainment'. Please come along and join the fun!

Harvest Festival

You are very welcome to join us for Harvest Festival on Friday at 11.30am. We will be presenting offerings of food during the service, so, if you can, please send items for your child to donate, such as tins, fresh veg, fruit etc. All items will be sold in Church at the weekend and all proceeds go to Christian Aid. Parents are invited to bring a packed lunch to eat with their child in school afterwards. Please let the office know if you are attending, so we have an idea of numbers. **Tea and coffee will be available in Church from 11.00am.**

Kind regards

Katherine Rawes,
Headteacher
