

Year 1 HOME LEARNING Autumn 1

Maths

The answer is 10. What is the question? Find as many possibilities as you can.

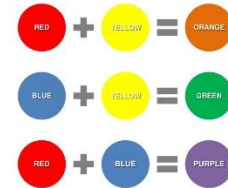

Computing

Log on to your purple mash account and explore the activities you can do.

Art

How many colours can you make using the primary red, blue and yellow? Record your findings.

English

Tell me about your favourite book!

Topic

Carefully look at a famous London landmark. Recreate the building in any way you wish.

Science

Look for signs of Autumn around your home. We are going to be making an Autumn display so feel free to bring some things in!
