Just to say a massive thank you for the parental surveys we received and the very positive comments about our school community.

Some of the comments said...

'school has a personal touch'

'Biddick has a good atmosphere'

'we have good relationships' and

'Biddick is one big friendly community'

THANK YOU!

Attendance and punctuality has continued to improve and last year it was 95.58% so thank you for working in partnership with us.
