Maths

- Practice rounding to the nearest 100, 1000 and 10,000. When you feel confident, make a short video clip of you explaining how it works for us to watch!

Reading and Writing

- Write a book review for a book you have enjoyed reading this term. See Miss Wilberforce for a template
- Research factors that are endangering the Great Barrier Reef. Write a letter

PE - Be active for an extra 30 minutes a day.

Topic - Research animals that can be found in the Great Barrier Reef. Present your detailed findings on just one animal to the rest of the class.

Science - Choose three materials and investigate what happens when they are combined with water. Do they dissolve, float, sink or react? Write up your findings and report back to the class.
