

## Geography

Through our topic lessons we will be looking at Crick. We will be exploring where we live and how we get around our village, using maps.

We will also be comparing different physical and human features.

## PE

In PE this term we will be developing our multi skills through REAL PE.

We will also be learning Tag Rugby. Within this unit we will be learning to throw a rugby ball and move into a space to it. We will also be learning to attack and defend in small game situations.

## Science

In Science, we are going to be learning about materials. We will be looking at names of materials and why objects are made from different materials. We will be carrying out our own investigations to find out which material is the best for different purposes.

## Music

In Music we be learning all about rhythm, keeping a beat and playing with tempo while singing. We will also be using the instruments to help with keeping the beat.

# Once upon a time...

## Autumn 1

## RE

Within Religious Education will be learning about how we celebrate different events. We will then look at different religious celebrations including Harvest and Sukkot.

## English

As writers, we will be developing our use of sounds, punctuation, adventurous vocabulary and imaginative ideas.

We will be learning to write in a variety of genres including; recount, narrative, poetry and newspaper articles.

## Art / DT

In Art, we will be learning how to use different mediums of art to create pictures. These will include printing, collage and sketching.

In DT, we will be designing, making and evaluating our own puppets and gingerbread houses.

## Maths

We will be developing our counting skills through grouping, estimating and exploring shape. We will also be developing our addition and subtraction skills using our place value knowledge.

We will also be comparing numbers using greater than, less than symbols.

## ICT

In ICT, we will be learning about how to keep ourselves safe online and on the computer. We will then continue to develop our programming skills using floor turtles and Scratch.

## PSHE

Within PSHE, we will be learning all about ourselves in the unit called "Getting to know me". We will be learning about what makes us special and how we are similar and different to one another.

## What can you do at home?

- Listen to your child read at least 3 times a week. Ask your child/children questions about the book they are reading.
- Help your child practise their number bonds / timetables.
- Help your child practise their spellings.
