

**Year 1/2
Autumn 1
2018**

SEAL: New Beginnings
Christian Value: Forgiveness
RE: Creation

PSHCE
Physical Health & Wellbeing:
Knowing what a healthy diet looks like; the benefits of a healthy diet; the importance of being active and getting enough sleep; basic personal hygiene.

Maths
Y1: Counting, reading and writing numbers up to and across 100; counting in multiples of 2, 5 and 10; learning number bonds to 20, by heart, and using the related subtraction facts; recognising, finding and naming one half as two equal parts of an object, shape or quantity; recognising and naming 2D shapes.
Y2: counting in steps of 2, 3 and 5 from 0, and in 10s from any number; recapping number bonds to 20, and exploring bonds to 100; adding and subtracting numbers mentally; exploring the properties of 3D and 3D shapes; constructing and interpreting pictograms, tally charts, tables and simple graphs.

History
Talking about the past using relevant language; recognising objects that belonged to the past; asking questions about the past; researching using computers and books; talking about how we have changed since being born, and how things are different now from when our grandparents were born.

**Did people
go on
holiday 100
years ago?**

English
Y1: focusing on correct pencil grip and letter/number formation; using phonemes to spell unknown words (Eg. yoo, rayn, sed); using the personal pronoun, 'I', leaving spaces between words; using a capital letter for the start of a sentence; continuing with the phonics programme.
Y2: focusing on joining up some letters; writing capital letters accurately; using phonemes to spell multisyllabic words (Eg. eggsighting, speshal); developing stamina for writing by writing for different purposes; using thoughtful and ambitious language; using full stops and capital letters accurately; using ! and ? when writing independently; continuing with the phonics programme if required.

Art
Mixed Media & Techniques
using paint, charcoal, pastels and different grades of sketching pencils,; exploring the primary and secondary colours; creating tints and tones of colour; cutting, rolling and curling materials; creating moods and showing how people feel in drawings/paintings.

Special Events
Class visit to The National Railway Museum in York - Dates to follow
Can you help?
If any of you or your family/friends would like to come in and share photos/stories of experiences of transport and holidays over the years, then we'd love your help to enhance our learning. Maybe you've been in a hot air balloon, on the Orient Express or have photos of holidays from long ago!

Science
Seasonal Change
Observing, naming and commenting on the change in seasons.
Working Scientifically
asking questions; carrying out simple tests; using data to answer questions; identifying and classifying.

Computing
Information Technology
using a camera/microphone; organising, retrieving and manipulating digital content; navigating websites and searches; using technology safely.

PE
Games
