

Taking new students in September

LITTLE DRAGONS

The Little Dragons after school club is going from strength to strength. All the students have just taken either their first or next belt depending on what level they are at and all are doing very well. However, we have space for more students if any Reception, Year 1 or 2 children would like to try it.

Every Thursday, 3.30 – 4.15 in the church hall opposite the school.

Our Little Dragons syllabus is designed to improve balance, coordination, speed, confidence and discipline. It is a fun and enjoyable way to start martial arts.

The class is taught by Sharon Gill (6 x World Kickboxing Champion and 5th degree kung fu black sash) and Dan Blythe (3rd degree kung fu black sash).

All new starters get 2 free trial sessions. On the first trial session everyone will be given a welcome pack to the club with more information in it. After that it is £5 per session, payable at the start of each term.

To book your trial sessions or for more information please email enquiries@iamgbfit.com or call 01173 251330.
