Class 4	98.0%	0.0%
Class 5	99.6%	0.0%
Class 6	98.8%	1.6%

Monday 10th September 2018

We have created our very own **'Broughton Primary School' Facebook** page. You will be able to have our posts go straight to your newsfeed, all you have to do is like our page. Just search 'Broughton Primary School' in the search bar and you'll find us. We will be posting updates of what we've been up to and letting you know what's happening in school, so be sure to join us!

If you feel you could help with the **swimming rota** to the pool on Friday afternoons, particularly Year 5/6 parents, please contact Mrs Bryden in the office. If we get enough volunteers you would only need to hopefully do two trips each half term.

Please find with this Newsletter a letter of introduction from our **new Chair of Directors Dr H Morgan.** We very much look forward to working alongside him and the rest of the Board members in the coming months.

Starting this term, you will receive a **Newsletter from the Key Stage staff** who your child is with this year, outlining details specifically relevant to their class. These are also attached to this Newsletter and can be viewed on the website too under 'Parents'.

Following a recent meeting of the OOSC Directors it was decided, due to staffing changes, that we can no longer accommodate Nursery children in the club. This will be reviewed as the year progresses. The staffing in the OOSC will be confirmed at the beginning of next week as Miss Casey left us at the end of last term so is covering the OOSC at the moment on a temporary basis.

Our trip to **Whinlatter** was a great success last Thursday. All the children enjoyed the experience and there was a tremendous atmosphere up in the forest. It was also great to see Hollie White, our Year 6 from last year, who won the 'Design a Jersey' competition up on the platform with the winning team and wearing her jersey design too!
