Dear Parents/Carers,

Autumn Term Music

Welcome back to Summerfield. We hope that you have all had a lovely summer break.

“Words make you think a thought, Music makes you feel a feeling. A song makes you feel a thought.” E.Y.Harburg
Here at Summerfield we value the arts and are forever trying to encourage and motivate our children to express themselves and see the importance in all the arts. This year we are happy to offer free Choir sessions throughout both KS1 and KS2 as a lunch time club. This will give the children the opportunity to perform in and around Milton Keynes at different events. Last year we participate in a number of events including Milton Keynes Intu Christmas lights switch on, singing at the MK Dons stadium and having a major role in the MK ‘Love is stronger than hate’ campaign.

This year we are also offering Violin and Guitar lessons being taught by a specialist teacher in small groups. These however are charged at £45 per term for Violin and £35 per term for guitar. These prices are subject to review and could alter over the year depending on the amount of interest and the costs of the lessons. Unfortunately, due to financial pressures, we are asking for an upfront payment prior to the children starting their lessons.

Last year we had children begin to take exams with their instruments and are pleased to inform that each child who went for their exam passed with flying colours. We also offer the children opportunities to perform not only to their peers but in concerts and outdoor performances as well.

If your child is interested in learning the violin or the guitar then please fill out the slip below and return to the school office by Wednesday 12th September for the first lesson to commence on Friday the 14th September.

Yours faithfully,

Miss Newman
