After the 30 minutes session, you will also have an opportunity to speak to your child's class teacher in the classroom to find out how your child is settling into their new class.

There will be a crèche available if you choose to leave your children whilst you are at the meeting. Due to health and safety reasons, you are expected to collect your child after the 30 minutes session before going to their class.

Thank you for your cooperation and we hope you will benefit from these sessions.

Yours sincerely
