Dear Parents/Carers

As part of the busy preparations for the year 6 SATs, the children use revision guides. The revision guides are there to support revision sessions at home and at school. They are an important aide to help get the children as prepared, confident and ready as possible. We will begin using the guides from this term and your child/ren will need Maths and English revision guides (5 in total). The books need to come back and forth between home and school every day so naming them is a good idea.

These books retail at £19.95 in total. We appreciate that this is a substantial amount so school will be heavily subsidising the guides, therefore, we are asking parents to pay just £10 voluntary contribution towards the guides. Please pay for this via ParentPay or if you would like to pay cash please speak to Sarah or Gemma in the office to ask for a bar code letter.

Thank you for your continued support and help in what promises to be a challenging but very exciting and rewarding year and if you have any queries please do not hesitate to speak to me.

Kind regards

Carly Clarkson
