Pupil Premium Strategy – 2018/19

We are all created unique and special.

He made us all perfect having our own uniqueness.

1 Peter 4:10-11 “God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another.”

Pupil premium strategy statement - The Pupil Premium Grant is allocated to schools by the government to provide funding for the following policies:

- Raising the attainment of disadvantaged pupils of all abilities to reach their potential;
- Supporting children and young people with parents in the regular armed forces.

Whilst allocated on a per pupil basis, the grant may be spent for the educational benefit of all pupils registered at our school. We recognise that not all children attracting Pupil Premium will need support or are disadvantaged and that not all pupils who are ‘disadvantaged’ or need support are eligible for pupil premium. The attainment of all pupils, including Pupil Premium children, is measured through half termly pupil progress meetings where there is a focus on individual children to ensure that they are all meeting their targets. Those who are not will receive targeted support.

Pupil Premium Funding and the impact of this is a regular item on the agenda at Local Governing Body Meetings.

Designated staff member in charge: Mrs Marie Bergin/ Mrs Katherine Russell

In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	Emotional, social and behavioural difficulties
B.	Language, communication skills and vocabulary
C.	Encouraging sustained engagement of parents to assist and support their children's learning
D.	Emotional resilience, greater confidence and independence
E.	Sustaining the breadth of provision with trained, skilled staff within the budget.
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)

G.	Access to extra-curricular activities e.g educational experiences such as trips and participation in physical activities and a range of enrichment activities
H.	Encouraging sustained parental engagement, putting their own child's learning

4. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	High rates of achievement across Key Stage One and Lower Key Stage Two for all children eligible for PP, with particular emphasis on the expected prior attainment group with the aspiration of a higher proportion achieving greater depth by the end of Year 4.	All disadvantaged pupils, regardless of prior attainment make at least as much progress as their similar peers.
B.	Improved parental engagement will support better working partnerships with parents for better academic success and higher aspirations for our pupils.	Parents actively engaged in their children's learning, promoting and encouraging high aspirations.
C.	Attendance and punctuality to improve.	Attendance levels in line or above national figures for PP Children. Persistent absence to decrease so that PP pupils are in line with school and national attendance figures.
D.	For disadvantaged pupils' social and emotional needs to be met	Pupils have a 'growth mind-set' greater resilience, independence and confidence to engage with learning opportunities that are both challenging and engaging regardless of prior attainment. ELSA pre and post questionnaire show improvement in targeted attitudes and behaviour.
E.	Specifically focus on and deliberately target the development, use and broadening of tier 2 vocabularies in particular across all subject areas.	Close the vocabulary gap' between those who are disadvantaged and those who are not, supporting every individual child to succeed. Pupils make rapid progress by the end of the year so that all children eligible for PP make good progress from starting points, meeting or close to meeting age-related expectations and/or above.

Pupils able to participate fully in school clubs, trips and residential visits. Learning is supported by clubs and trips that are carefully planned to enhance the school's curriculum. How will the school measure the impact of the Pupil Premium?

Half termly pupil progress analysis will take place, comparing the achievement of pupil premium pupils with that of their peers. This information will be used to inform half termly pupil progress meeting discussions, provision management and inform the early identification of need through the Class Profile. Data analysis will be completed by Middle Leaders within their subject areas and Senior Leaders, informing standards and quality of provision across the curriculum, particularly within core subject areas. Half termly pupil progress meetings will take place between Class Teachers, Senior Leaders and the Inclusion Lead, including updating the Provision Management tool and individual Class Profiles to ensure that curriculum provision is responsive to pupil need.

At each review the school will collate information as outlined above to evaluate the impact of actions taken and plan how the funding will be allocated across the next phase. When selecting pupils for Pupil Premium target groups, the school will look at all pupils across the school. There are some pupils who are not eligible for Pupil Premium who will benefit from these groups if their need is similar and we believe progress can be made towards individual targets.
