What children need to wear to at forest school

The children will not be expected to wear school uniform when it is their turn to do a Forest School session.

Please see below what the forest school have asked children to wear:

It is always colder at Forest School than at home or school. To keep warm at all times means

dressing in several layers.

1st Layer - long sleeved t shirt, leggings or tights with thin socks

2nd Layer - close fitting fleece, jumper or school sweat shirt - trousers or track suit bottoms to go

over leggings layer, 2nd pair of socks - make sure these are not too tight.

3rd Layer - Thick jacket that fits easily over the other layers.

4th Layer - Water and wind proof jacket and trousers or all in one

Hat - either woolly to keep heat in or thin to keep sun off depending on the weather

Mittens/gloves - water proof if possible

Socks - a couple of thin pairs and an extra good thick pair

Strong shoes, boots and Wellies - make sure these still fit when worn with extra socks

Even in summer arms and legs need to be protected from insects, nettles and scratches by long

trousers and long sleeves.

Although all of this recommended, if it is not all possible, please ensure that your child wears several layers on top and bottom.
