

# Hedwig and Errol

## Year 3 and 4 Newsletter

Autumn 2018

A big welcome to Year 3 and 4! Teaching Hedwig is Mrs Anderson (Monday and Tuesday) and Mrs O'Connor (Wednesday, Thursday and Friday). Mrs Turner will be teaching Errol every day and we welcome Mrs Darling, who will be teaching Errol on Thursday mornings. We hope that this newsletter gives you an outline of our weekly routines and overview of our learning this term. As always, if you have any questions please do get in touch or catch us on the door (after school is usually best). Many thanks,

Hedwig and Errol

### Our week

- ♥ In PE we will be developing our partner work in Gymnastics and our games skills with Mr Oldroyd.
- ♥ Please ensure indoor and outdoor kits are in school on...
  - ERROL: Wednesdays and Thursdays
  - HEDWIG: Wednesdays and Fridays
- ♥ NO EARRINGS can be worn during PE.
- ♥ We are very excited to be learning an instrument in music every Wednesday afternoon with Mrs Hebden.

### Water bottles and Fruit

- ♥ In KS2, fruit can be purchased in school for 20p a day or you can bring in £1 for the week.
- ♥ You could also bring in your own fruit snack for playtimes.
- ♥ Water bottles can be kept in school and refilled daily.

### Forest Schools Weeks

Hedwig: 17.9.18 - 20.9.18

Errol: 8.10.18 - 12.10.18

Further details to follow...

### Watch out for Harry!

Harry the owl will be coming home with some good learners for a weekend adventure! We look forward to hearing what he has been up to..

We will be thinking about the Christian Value of **generosity** in all our learning this half term. How can we be just and fair? Can we give some of our time to help others? How can we show appreciation for our world?

Our **maths** this half term will focus on place value and addition and subtraction.

In **RE**, we will be discussing how Jesus was an inspiration to others as we ask ourselves who inspires us.

This term we are learning about **CHOCOLATE**.

In **English**, we are reading *Charlie and the Chocolate Factory* and using this to write persuasively as well as describing characters.

Inspired by our English, we will be creating our own chocolate bars and in **DT**, using our research to design packaging for our chocolate.

In **art**, we will be learning about the artists Quentin Blake and Jason Mecier and developing our skills in their styles.

Our **geography**, will take us around the world, reviewing continents before focusing on Europe.

In **science**, we are learning about teeth and our digestive system.

### Homework

**Spellings** and spelling patterns we have learned in school will be sent home for your child to practice every Wednesday. We will review these in school the following Monday.

**Maths** Learning multiplication tables and corresponding division facts are so important. Watch this space for ways in which you can encourage your child to practise at home.

**Reading** books will be sent home every night and reading with your child, little and often, can make the world of difference!
