Dear Parents/Guardians

Your child has been given a reading book appropriate to their reading age. We encourage the children to read at least 4 times a week for more than 10 minutes at a time.

Also, they should be changing their books regularly and we recommend having a larger novel for no longer than 3 weeks. Short novels should be changed every few days.

Your child has also been given a book to record any reading in. The first pages inform you how any reading at home should be recorded in this book.

Please ensure you write the date at the side, the name of the book and also record the number of reads they have completed, as this will result in them being awarded certificates.
