

Maths-We will build on our skills and develop our fluency with facts about numbers:

- Count to 20 forwards and backwards and from any given number
- Read and write numbers to 20 in numerals and words
- Identify and represent number using objects and pictorial representations
- Add and subtract a 1 digit number including 0 using concrete, then pictorial and then numerical representations
- Represent and use number bonds to 10
- Recognise, understand and use +, - and = signs
- Begin to solve simple word problems involving addition and subtraction
- Recognise and name common 2D and 3D shapes

Science - We will develop our scientific skills whilst learning about:

- Seasonal change- Autumn/Winter (Geography link)
- Everyday materials

Computing - We will:

- Become more independent when using computing devices whilst following the Rising Stars Computing curriculum

English

As well as Phonics, Spelling, Grammar and Punctuation lessons we will:

- Reading a variety of books-both fiction and non-fiction
- Write from memory simple sentences dictated by the teacher
- Create simple sentences linked to a theme
- Explore different varieties of text including: Lists, newspaper reports, diary entries, posters and instructions
- Learn and recite autumn poems
- Role play scenes from our favourite stories

Geography-We will:

- Identify seasonal and Daily weather patterns in the UK (science link)
- Use maps and Atlases to identify the UK and its countries
- Learn and use simple compass directions
- Identify human and physical features of our world

London on Fire!

PSHE - Jigsaw

- 1st half term — Being Me
- 2nd half term — Celebrating difference

Music

- 1st half term: Exploring Sounds
- 2nd half term: Exploring Duration

History-We will:

- Compare aspects of life, identifying similarities and differences
- Understand the difference between things that have happened in the past and in the present
- Look at documents and sort them into then and now

Religious Education

- Our focus for R.E. will be comparing Judaism and Christianity. We will explore how each religion celebrates festivals.

DT-We will:

- Design, make and evaluate a range of different creations

Art -We will:

- Develop a wide range of art and design techniques using colour (tinting, shading, colour mixing)
- Look at various artists and their work.

PE

- Apex Sports will be taking Year 1's PE this term. They have planned a variety of lessons around Games, Dance and Gymnastics.

Year 1

Autumn Term 2018

Welcome back to another exciting year of learning!

Our topic focus for this term is **London on Fire!** We will be exploring England's capital city and many famous events that have a link to fire including, The Great Fire of London, Bonfire Night and The Blitz.

If you have any resources, books or artefacts which you feel would enhance our work, we would really appreciate borrowing them! Please ensure they are named. I have attached a copy of the overview of the term so that you can see some of what we will be learning in Year 1, find more details on our weekly newsletter.

Mrs Dunk and the Year 1 team
