## Mountains

Below are a range of extra homework tasks that are linked to your child's learning in school, based on the topic we will be covering. Please complete a minimum of two tasks per half term. You may present your work in any way that you wish. We look forward to seeing some of your amazing creations! Have fun!

<p><b>Mountain Design</b></p> <p>Make your very own mountain in whichever form you wish; it may be a papier-mâché model, a mountain cake or biscuits or even something you have created using fabric.</p>	<p><b>Internet Research –</b></p> <p>Use the internet to gather information on a mountain of your choice or a range of mountains. Make a booklet or information sheet to share.</p>	<p><b>Survival Bag</b></p> <p>Decide what you would include in your survival bag for a trek up the Himalayan Mountain Range. You may only take 10 items for you to carry personally. What will you need? Explain your choices and why you feel they will help you to survive.</p>
<p><b>Story Time</b></p> <p>Write a story that is based in a mountain range, a story that is about explorers or people who live in that environment. You could include the animals that are found in these places, the people who live there or the mythical Yeti!</p>	<p><b>Masterchef</b></p> <p>Create a meal that would provide the essential energy required for a mountain hike. Or why not make a fruit and nut energy bar? Bring it in for us to taste (if nut free) or take a photo and ask your friends and family to comment on your creation.</p>	<p><b>Compare and Contrast</b></p> <p>Choose two different mountain ranges to research and compare. Your findings can be presented in any way you wish; use a model, a painting, an information booklet or even a PowerPoint presentation.</p>

**Be Creative... if you have other ideas, It would be great to see your work!!!**
