

Literacy

Narrative Stories: Children will be using adjectives to describe the setting and the characters of the story funny bones.

Labels: Children will be asked to label parts of their body.

Poetry: Children will be asked to write an acrostic poem about their senses.

Role Play: Hospital

Geography

In our geography lessons we will be learning about our community and where we live.

History

In history we will be looking at Florence Nightingale and how she improved nursing.

Maths

This term we will be focusing on:

Number and Place Value

Addition and Subtraction

Year One

Autumn One: All about me

Music

In our lessons the children will be learning how to make music with different instruments. Our aim will be to produce a piece of music that sounds like our body parts e.g. a drum for our heartbeat.

Science

This term we will be focusing on the human body. The children will be asked to name and label parts of the body. As a class we will also be looking at our five senses. The children will be asked to use their senses around the classroom and at home. We will be learning what body part is associated with each of our senses.

Art and Design

In our art lessons we will be completing our self-portraits. Children will be asked to use a range of colours and materials to explore their features.

Computing

Internet Safety
