Dear Parent/Carer

GDS Maths Booster Sessions

As the children are preparing for their end of KS2 SATs, we fully appreciate how much preparation is required for the children to achieve their full potential. Therefore, myself and Mrs Isle are proposing to start an early morning SATs club where children will have the opportunity to develop their confidence by consolidating the work done in class. In the past, these have proved to be extremely valuable in raising the levels of all children who participate in the sessions.

The session will run from Tuesday to Friday every week, commencing at 8.15am and finishing at 8.50am. We hope that your child will be able to attend, to help them achieve their full potential.

The morning sessions will commence from Tuesday 18th September 2018.

After school sessions will commence from Monday 15th October 3:35pm – 4:40pm

Yours sincerely
