

Year 6

Mrs Milnes, Mr Knipe, Mrs Nixon, Mrs Greenwood, Mrs Fairbrother, Miss Haselden and Miss Rowe would like to welcome the children back to what will be a very challenging year. We look forward to strengthening the links between school and home and getting the best out of the children.

English

This term we will be looking at:

- A variety of different genres
- Aspects of narrative writing
- Basic skills e.g., sentence structure, punctuation etc.
- Grammar
- Writing diary extracts and letters
- Writing descriptive settings

We will be using the text 'Kensuke's Kingdom' and also texts by Dickens.

Mathematics

This term we will be looking at:

- Place value
- Basic skills
- Problem Solving

We will complete a variety of numeracy projects involving knowledge from all areas of maths.

Science

In the first half term, Year 6 will be exploring living things and their habitats. We will also be looking at what plants and animals need in order to survive. This will be done through a variety of investigations and forming conclusions about their findings. In the second half term, the focus is centred on evolution and inheritance.

Topic

Our topics this term will be

- Survival
- Elements of the Victorians and WW2

The topics will include elements of History, Geography, Science, Art and Design and Technology.

PE

Wednesday

Please make sure your child has a plain white t-shirt, blue or black shorts or tracksuit bottoms and pumps on these days.

Homework

Spellings will be set on Monday and tested on Friday.

English and Mathematics homework will be set on a Tuesday and returned by the following Friday. Your child is also expected to read on a daily basis and the class planner should be updated regularly.
