

## Sports and PE Provision

### Primary School PE and Sport Funding

### Sports Premium Overview

At Owler Brook primary School we recognise the importance that physical education, healthy active lifestyles and competitive sports have in helping to prepare pupils for adult life.

We have welcomed the Government's announcement to provide additional funding to improve the provision of physical education and sports in primary schools. We are committed to ensuring that this money provides pupils with greater opportunities to engage in sporting and physical activities as well as ensuring that they receive a wider range of experiences to help them develop a fuller understanding of the world.
