Halberton Primary School

Behaviour Principles

Through the overall school aims we strive to develop a trusting and caring environment, based upon mutual respect and understanding where all people are treated fairly. The school ethos is based on these aims and on underlying British values.

We aim to enable children to develop reasoned self-discipline and socially acceptable behaviour, demonstrating good manners, respect and helpfulness towards each other and all adults.

We aim to allow all at the school to reach a high level of self-esteem where children are happy, feel good and enjoy each other's company.

We aim to maintain high standards of tidiness and orderliness around the school, encouraging children to take a pride in their school and the wider community.
