## Permission to Take Photographs or Video Footage Consent Form

We may occasionally take photographs of the children using our facilities. We may use these images in our clubs publicity or in other publications that we produce, as well as on our website, or on our project display boards in our club. We may also make video or webcam recordings for consultations and conferences, monitoring and quality assurance evidence.

From time to time we may be visited by the media who may take photographs or film footage or other high profile events. Children will often appear in these images, which may appear in local or national newspapers, or on television news programmes.

The children will have access to the internet through the school WiFi. We will take all reasonable precautions to ensure children cannot access inappropriate material but the Club cannot be held responsible for the nature or content of material accessed through the internet.

To comply with the General Data Protection Regulation we need your permission before we can take photographs or make any recordings of your child for promotional purposes. Please answer questions 1 to 4 below, then sign and date the form where shown.
