

Homework

Children will receive the following

- Weekly spellings and times tables (given out on Friday).
- Talk homework
- A piece of work related to what has been covered in the week.
- Children will also be given a choice of tasks to complete every half term related to our Scrumdilyumptious topic. Further details of this can be found in the parent information booklet and in homework books.
- Children who fail to complete homework on time will be required to complete it in a lunch time homework club.

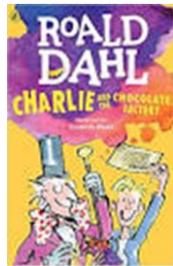

Coming up...

Roald Dahl Day

Thursday 13th September

Children are invited to bring in £1.00 to dress up as their favourite Roald Dahl character for the day.

After school, there will be a Willy Wonka's tuck shop in the hall where children will be able to purchase a range of sweets and chocolates.

Reminders

- Children should be reading 4+ times a week. Reading records will be checked every morning.
- P.E kits should be brought in this week and left in school for the whole half-term.
- Children should bring a labelled water bottle to drink from throughout the day.

Grange Primary School

Phase 3

Autumn 1 Half Termly Overview

Staff Members:

Sycamore Class:

- Mrs Mukhopadhyay
- Mrs Chadwick
- Mrs Evanson

Willow Class:

- Mrs Rycroft (Monday-Wednesday)
- Miss Oakley (Thursday-Friday)
- Mrs Harte

Elm:

- Mrs Rovizzi
- Ms Lane

English

We will be studying a range of text types including poetry, instructions and narrative.

This half term we will be reading the novel *Charlie and the Chocolate Factory* by Roald Dahl. We will be exploring the story in our guided reading lessons and writing our own recipes linked to the story in our English lessons.

We will also be reading range of non-fiction information texts about the journey of a piece of fruit from its native country to our supermarket shelves.

In spelling and grammar we will be studying on a range of punctuation and sentence types. We will also be working on proof-reading our work to check for the correct punctuation.

At home, parents/carers can help by reading regularly to and with children. It is also very beneficial to discuss any new words or phrases children may come across at school or at home.

Maths

This half- term our focus will be number, place value and measures. We will be continuing to learn from a mastery curriculum.

Children will greatly benefit from practising their times tables at home.

By the end of year 3 children should know their x2, x5, x10, x3, x4 and x8 table.

By the end of year 4 children should be confident in recalling times tables up to 12x12 including the corresponding division facts.

Scrumdiddlyumptious!

This half-term phase 3 will enjoy a yummy journey of discovery, sampling fantastic fruits and tantalising treats!

We will be trying different fruits and vegetables and using investigating them with our senses. Will we like everything we taste?

We will be exploring food and taste throughout all of our subjects at school and will even be baking and preparing some foods of our own.

Below is an outline of our topic work:

Science	Nutrition
D&T	Cooking
Art & design	Sculpture
Computing	Web searches, emails
Geography	Food miles and fairtrade
History	Significant individuals – James Lind
Languages	Food vocabulary
Mathematics	Measures and money
Music	Vegetable orchestra
PE	Exercise

How to support your child with this topic:

This is a perfect opportunity to taste new foods and have a go at following recipes. Why not bake healthy muffins or prepare a slow cooker stew together? You could also sample adventurous foods from around the world!
