Anlaby Primary School

'Ambitious, Proud, Successful'

NEWSLETTER 7th September 2018

This Week's Data Whole School Attendance

We have now launched our new house point behaviour system in school. The winning house team will be announced in assembly and put on the newsletter.

Watch out for inter-house competitions going on throughout the year that your children will be involved in.

Wrates Photography

Just to let you know in advance that we have Wrates Photography coming in to school on Tuesday 18th September. These are for individual photographs of the children.

If you have any further questions don't hesitate to ask in the office.

This Week

Inkpen and Rosen are settling in nicely to Foundation Stage. Both staff and children are rather tired after such a long week! But they will both be ready to do it all again next week!

There was much excitement in Donaldson and Sharratt as a space ship crashed on the playground! The children are now sifting through the debris to find out what the ship was made of and find its properties.

Potter and Ahlberg have had their memorable experience this morning for their Muck, Mess and Mixtures Topic. They have all had a scientific morning throwing jelly at the window and making bubbles!

Murphy and Dahl have been building Stonehenge, making cave paintings, carrying out an archaeological dig and making Stone Age poo as they start their topic of Tribal Tails!

Morpurgo and Kinney had a visit from the brush bus and found out everything to do with teeth. They now know how to brush them correctly and for how long. They have set up an experiment to see what happens to teeth when left in fizzy drinks and other substances.

Herge and Walliams have had a more peaceful start to the year listening to the Planet Suite by Holst and drawing their responses to the different works.

Shakespeare and Rowling are settling well in to life as the oldest and most responsible children in school. They have been investigating light and starting their World War II topic.

Have a great weekend.

The Hive Out of School Club

The Hive opened its doors on Tuesday and we have had lots of children enjoying themselves.

This week they have been able to play table tennis, work on the learn pads, play a range of games and have a chance to jot down their ideas about what activities they would like to be able to do in the future. We may not be able to do all of them but some of them were very good suggestions.

Miss Stanley is working hard to put together an action plan of how to develop the club and the children's ideas will be taken into consideration.

As parents, if you have any suggestions have a word with Miss Stanley or jot your ideas down on the slip on this newsletter and return them to school.

For further details see ask at the school office.

Lunch Menu W/C: 10th September 2018

The Barrier

You may have noticed that we now have a barrier down the vehicular access to the school and Children's Centre. We are waiting for it to be commissioned.

When it is fully up and running you will not be able to access the school site by car between 8:20am and 9:00am and 3:00pm and 3:40pm. If you wish to enter the school by car at any other time you will be able to 'buzz' for attention and be let through if it is appropriate. If you have a reason to enter the school site at the prohibited times please make a prior arrangement with us.

If you need disabled access you will of course be allowed on to the site.

We would encourage all parents to use the pedestrian entrances to the school at all times.

The barrier will be raised in the morning and after school for parents collecting children from The Hive.

Date for your Diary

In order to try to give you as much notice as possible regarding events around school, this section will be dates for up-coming events. We may need to change events at times but will try to keep this to a minimum.

Friday 26th October 2018 – School closes for half term
Monday 5th November 2018 – School opens
Friday 21st December 2018 – School closes for Christmas holidays
Tuesday 8th January 2019 – School opens
Friday 15th February 2019 – School closes for half term
Monday 25th February 2019 – School opens
Friday 5th April 2019 – School closes for Easter holidays
Wednesday 24th April 2019 – School opens
Friday 24th May 2019 – School closes for half term
Monday 3rd June 2019 – School opens
Friday 19th July 2019 – School closes for the summer holidays

The Daily Mile

You may have heard of the Daily Mile scheme that has run successfully at a number of schools around the country. It is a free, effective initiative that any school can implement without the need for staff training. Its impact can be transformational – improving not only the children's fitness, but also their concentration levels, mood, behaviour and general wellbeing.

We will be introducing this initiative from next Monday. At the moment we are not sure of the best time to put it during the day so initially we may try it at different times to ensure we find what works best for all.

Our first experiment will be doing it first thing in the morning after registration. The children will come to school and be registered as normal but will then be taken out for a 10 – 15 minute walk or run around the playground. This is a fun time for them to talk with friends and enjoy each other's company but with added benefits.

The children will be carrying out the mile in their school uniforms and will need no specialist equipment or clothing.

PE KIT

Just a reminder about making sure children have their names on all clothes that they come to school in as well as their PE kits.

All school uniform looks the same and it can be difficult to identify owners if no names are on.

It is also a good idea to bring PE kit on a Monday and take it home for washing at the weekend. It will then always be here on the right day!

Key Stage 2 Snack

Just a reminder to parents that Key Stage 2 children are allowed to bring a piece of fruit for a morning snack should they wish. However, with us trying the daily mile first thing in a morning next week they may not have the opportunity to eat it.

If your child does bring a piece of fruit please ask them to keep it separate from their packed lunch as they will not be able to access them in the morning.

I would like Mr May to know...
