

Dear Parents/Carers of Year 1 pupils,

We are continuing to follow the Race Track approach and policy that builds up on the skills and knowledge needed for learning all of the Times Tables.

As part of this half term's Maths curriculum, we are learning to **count on and back in groups of 10 to 120.**

For example: 10,20,30,40,50,60,70,80,90,100,110,120.

120,110,100,90,80,70,60,50,40,30,20,10.

Your child needs to be able to say the above out loud and independently.

This half term we will also be recapping on 'Number Bonds to 10' and introducing 'Number Bonds to 20.'

Your child needs to learn all of the number bonds to 20 by heart by the end of Year 1.

This includes:

$20 + 0 = 20$

$0 + 20 = 20$

$19 + 1 = 20$

$1 + 19 = 20$

$18 + 2 = 20$

$2 + 18 = 20$

$17 + 3 = 20$

$3 + 17 = 20$

$16 + 4 = 20$

$4 + 16 = 20$

$15 + 5 = 20$

$5 + 15 = 20$

$14 + 6 = 20$

$6 + 14 = 20$

$13 + 7 = 20$

$7 + 13 = 20$

$12 + 8 = 20$

$8 + 12 = 20$

$11 + 9 = 20$

$9 + 11 = 20$

$10 + 10 = 20$

Maths Homework will be set based on **counting on and back in groups of 10 and Number Bonds to 10 and 20.** Your child will bring a **Maths activity home every Wednesday** to be due in by the following **Wednesday.**

Once your child has been assessed as knowing the number bonds to 20 or can count on and back in groups of 10 to 120, they will be awarded with a Race Track badge during a whole school assembly.

If you have any more questions please do not hesitate to contact us in school.
