Dear Parent / Carer

Year 5/6 Overnight Stay at Low Gillerthwaite on Thursday 4th October 2018

Once again, we have been given the fantastic opportunity of taking part in a STEM themed event at Low Gillerthwaite Field Centre at Ennerdale involving an overnight stay which is being offered to all Year 5 and 6s. Food and transport costs are being subsidised by the West Cumbria Rivers Trust and Low Gillerthwaite Field Centre reducing the cost down to £11.50 per child or £6.50 to children entitled to pupil premium.

Children will leave School at approximately 9.15 am on Thursday 4th October and return the following morning in time for lunch. The children will be involved in outdoor rivers activities focussing on river wildlife and human impact on rivers and at night they will take part in a dark sky experience including a talk on the solar system in a Star Lab and some hands-on star gazing.

Children will require a packed lunch and a drink on the first day (plus water bottle to be re-filled). If your child is entitled to free school meals, then a lunch will be provided by School but parents need to provide a drink please. Evening meal and breakfast will be supplied by Low Gillerthwaite.

Pupils will need to bring:-

- Wellies (children will be standing in the river)
- Waterproofs (trousers and jacket)
- Outdoor clothes (to include long sleeves and long trousers and something warm)
- Spare clothes (to change into if they get wet or muddy)
- Night wear (please bear in mind that everyone will be sharing dormitories)
- Wash kit
- Toothbrush and paste
- Towel
- Slippers / indoor shoes
- Sleeping bag
- Pillow case
- Personal medication (medication forms to be filled in prior to event where appropriate).

Children must not bring mobile phones or electronic mobile devices. No spending money is required.

Please complete the payment slip below and return it with your child's payment by no later than Monday 1st October.

Yours sincerely
