

Nursery 3 Home/School Learning Plan

These are the things we will be learning about this Autumn Half Term.
Please help me at home.

We will be looking at our Nursery, our Teachers, and the building.

We will be learning to share toys and resources with our friends.

We will be using mirrors and photographs to look at our faces. We will have a go at making our own self portraits.

Me and My Nursery

We will be using natural objects to sort into groups and to count out small amounts.

We will be reading stories and choosing our own books from the library trolley to share at home.

We're Going on a Bear Hunt
Michael Rosen Helen Oxenbury

In Phonics we will be listening to the rhythm in Nursery Rhymes
