

# The Harry Gosling Herald

Our term has got off to a very busy start! This week we saw our Ground Floor hall turned into a Polling Station—but this time we didn't have to close the school! The elections being held this week, were elections for our new school council. School councillors play an extremely important role in life at Harry Gosling. Councillors represent their class and work together to bring about improvements in our school. They organise important events and at the end of the year, share their work with councils from other schools, and our own school governors.

This week everyone has had to demonstrate the value of 'responsibility'. Some children decided that they would like to be a school councilor and have nominated themselves. They made speeches to persuade their class to vote for them. Yesterday everyone had to decide who they thought would be the best person for the job. Elizabeth is busy counting votes, so we will let you know next week, who our new school councillors are.

Best wishes, Jennie
