Headteacher Mrs Claire Truslove M Ed

Our virtues are: Love, Moderation, Courage, Justice, Hope, Faith, Wisdom.

Newsletter week ending 14th September 2018

Mrs Truslove writes:

Thank you to all the children that have brought in a photo of them reading (especially those in unusual places!) – it isn't too late to be part of the reading display so please bring a photo in, or email one to school and we will put them up.

This week our Year 6 children completed their Bikeability course. I am delighted to report that they all passed with flying colours and that the instructor found me to tell me that their behaviour was outstanding. Having also worked for NMPAT for some years and working with children from many different schools - he was also impressed by how kind, polite and thoughtful they were to each other.

Reminder: Children should not be riding bikes or scooters anywhere on the school site. They may push them through the playground but riding them is a risk to others and there have already been some near misses.

All children should have a drink of water in school with them every day. Please encourage them to do this and we will encourage them to drink. Please note that this should be water only.

Next Wednesday and Thursday we will be joined by an artist who will work with everyone on an aboriginal workshop. This will involve storytelling, drama and art. The artist has said that plastic aprons are not conducive to the work that children will be doing so could children wear old clothes as they may get paint on them. This workshop will be paid for by the Friends so big thanks to them for that.

Mrs Barnes

In maths next week Year 1 will be learning mental addition and subtraction, problem solving, reasoning and algebra. In English we will be looking at poetry using our senses.

Mrs Gibbins

Homework is in the blue books. Well done on a first week of spellings and times tables. It's clear to see the children have been practising.

If anybody happens to have any Stone age, Bronze air or Celtic resources they would like to lend us . They would be gratefully received. Or (a long shot here) any pieces of flint that we could examine that would be great.

Mrs Pickles and Mr Wilkinson

Next week in maths we will continue our work on place value and Roman Numerals.

Homework this week:

Yr6: Maths: 2 pages in the CGP books on place value and rounding (p.6&7).

English: 2 pages in the Grammar book on verbs and adverbs (p.6&7).

Yr5: Maths: 2 activities on Mathletics on Place Value

English: 2 pages in the Grammar book on verbs and adverbs (p.5&9).

Yr4: Maths: 2 activities on Mathletics on Place Value

English: 2 pages in the Grammar book on verbs and adverbs (p.6&7).

Charlotte Miller - Charity Fundraiser for Breast Cancer Care UK

I just wanted to say a huge thank you to everyone who followed my little head shaving journey and donated on my Just Giving page. I cannot believe that I am writing that the total is £4450!!

Phew - that is incredible to be able to say!! Thank you so much for all the generous donations, it has been amazing..... although a little chilly now!

Family Service 16th September

Monthly family service

If you enjoyed the Teddy Bear Parachuting Day at St Mary's Church, East Haddon this summer, why not come along to the Family Service this Sunday, 16th September, at 10am?

We love it when the children participate in the service and are always looking for young volunteers to get involved. From handing out the hymn books to taking the collection or reading a prayer, there is always an opportunity to take part.

Plenty of tasty cakes and biscuits to sample after the informal child-friendly service.

We hope to see you there,

Rachael Lambert and Virginia Henley (Foundation Governors)

Things for recycling:

Used postage stamps – bring to office, they go to support Diabetes UK.

Batteries – box in reception

Ink cartridges – give into reception - proceeds to Cynthia Spencer
