

Dear Parents,

Here is a list of the clubs to be held during the Autumn Term.

Clubs will begin on the Week commencing **Monday 17th September 2018**. Most will run until 4pm although some clubs will finish later. (Please check the grid below).

Please record the clubs your child will attend in their planner so that their class teacher knows. If the club has limited numbers, please write your request in the planner so that the club leader can let you know if there is sufficient space.

Children will be brought to the door by Mrs Bradbury's office or the new classroom door. Parents are asked to wait by the yellow gates and the children will be dismissed as the Teacher/TA sees their parent/collector.
