

Kirk Fenton CE Primary School

Faith in Ourselves, Hope for the Future, Love for Each Other Newsletter –14th September 2018

Dear Parents / Carers

This week has seen a calmness around school as children and adults settle into new routines. Year 2 have spent the week outdoor learning and have been amazing walking backwards and forwards to and from the woods, you have set an example for us all. We will be putting pictures onto our new twitter account so that parents can see what their children are getting up to at school so please follow us @KirkFentonPS. I welcomed the CEO and a trustee of the STAR MAT into school on Thursday and they were pleased to see how well the children had settled and the work going on in the classrooms. Finally, the Friends of Kirk Fenton will be holding their Annual General Meeting on Wednesday at 3:30pm in school. This is a hugely valuable resource to the school which really has the children at its heart. It provides not only a source of income for the school, but friendship and support for its members so please do consider coming to the meeting and joining the Friends. They are always looking for new ideas to support the school and as a parent it is a good way of getting involved.

Have a great week.

Kind regards,

Mrs Karen Williams

Head Teacher

An Invitation to Sherburn High School Open Day

On Saturday 22 September from 11.00 a.m. to 2 p.m., Sherburn High School will be hosting its annual open day and we very much hope that you will join us. This event is a great opportunity for you and your child to find out more about our wonderful school and have some fun in the process.

On the day, I will be talking about the exciting plans we have for the school and you will have the opportunity to meet all staff across different subjects to find out how we build on and develop those skills your child gains from our excellent Primary schools.

I will be delivering two identical talks during the day at 11.30 a.m. and 12.30 p.m. and will then be available, along with my leadership team, for any questions you may have.

Parents and children in any year group are very welcome to attend, as our invitation is not limited only to those who have children in years 4, 5 and 6. We are very proud of our school and will be delighted to show it to anyone who would like to come and look around.

I really look forward to meeting you on the day, there will be a number of exciting activities running across the school ranging from sporting demonstrations, cooking, poetry writing and finding out if you are a giraffe or a monkey, (you'll have to come along to find out more about that!). In the meantime, please do not hesitate to get in touch with me if there is anything at all you would like to ask or if you would like to arrange to come in and look at the school during our normal school day.
