

St Anne's School and Sixth Form College

Sixth Form Admissions Statement

This policy was adopted in the Summer term 2012 and updated September 2018.

1. INTRODUCTION

At St. Anne's School and Sixth Form College we believe that working in partnership with the East Riding of Yorkshire Local Authority, we ensure that children and young people will have access to the most appropriate educational and short break provision suited to their individual need.

2. CURRENT ARRANGEMENTS

The school's current admission arrangement for the Sixth form is in partnership with the Local Authority's admission policy.

St Anne's Sixth Form College admits students aged 16-19 years of age. Students are normally admitted to the Sixth Form College in the September following their 16th birthday.

Placements in the Sixth Form College are determined by the LA in consultation with the parents and following reports from other agencies and discussions with St Anne's Sixth Form College.

The LA oversees all applications and allocates placements in agreement with St Anne's. There is an appeal process for families who make an unsuccessful bid for a place in the Sixth Form College.

3. STATEMENTS

On entry to the College students have an Educational Health Care Plan (EHCP) which will be reviewed annually. The review process is an opportunity for all agencies working with the young adult and their families to meet to ensure a smooth transition into adult services.

4. OUT OF COUNTY PLACEMENTS

Applications for the admission of children who live outside the catchment area of the school will be considered, subject to the availability of places by the Local Authority.

5. TRANSITION

Towards the end of the summer term where possible we hold a transition event for parents and carers whereby they will have the opportunity to complete admission forms, contact details and medical information. All parents will be provided with an up to date handbook and overview of the curriculum, as well as equipment and monies needed.

This event is designed to encourage a successful and positive working partnership between home and College.

6. VISITS

Prospective parents are encouraged to visit the College to discuss their son / daughter with the Head teacher / Assistant Head for Sixth form. After a discussion about the students individual needs and the educational provision at St Anne's parents are taken on a tour of the school, College and Residence.

7. USEFUL CONTACT DETAILS
